

TYPHOON

678

Industrial Wet/ Dry Vacuum Cleaner

When absolute power is called for, reach out for **TYPHOON 678**. Its 3 vacuum motors deliver the maximum suction power for the heaviest, most demanding applications. In addition, its 78 litres tank capacity allows for the removal of large volumes of dirt and liquid at one go. Despite its top-of-the-line performance, this machine still incorporates the ergonomics and water discharge hose of the Typhoon 463 for great maneuverability and general ease of use.

Standard Accessories (50mm diameter)

- KS02779 Suction hose assembly, 2.5m
- KS02364 Suction wand (2 straight + 1 curved tube)
- KS03893/50 Wet pick-up floor nozzle
- KS03892/50 Dry pick-up floor nozzle
- KS00513 Straight PVC extension tubes (set of 2)
- KS00517 Round dusting brush
- KS00518 Triangle bulk pick-up tool
- KS00516 Crevice nozzle

Optional Accessories

- KS02852 Paper filter cartridge
- KS06061 Washable polyester filter cartridge
- KS02995 HEPA filter cartridge
- KS02855 Holder for filter cartridge

3 motors for maximum suction power.

Industrial strength machine for heavy duty applications.
